

## **- PARTECIPATION**

The 3th edition of “Gran Fondo Don Guanella Cadel Evans” will take place on April 14th, 2019. It is open for: all F.C.I. members and sport associations that have registered their convention with the F.C.I for the year 2019, all those in possession of a medical certificate declaring to be in good health for competitive cycling, and to foreign cyclists in possession of a UCI license valid in 2019, issued by their national cycling federation along with a an eligibility form (formE).

Italian participants that do not possess a license must request a day license.

Foreign participants that do not possess a UCI license will not have to buy a day license as long as they have proof of health and accident insurance.

Both types of participants must present, before the race start, a medical certificate that declares physical eligibility for participation in a competitive cycling event. The certificate must not be more than one year old, from the registration date of the participant.

Registration is available to all, however, the organizational committee can always decide whether or not to accept a registration request, or exclude a registered participant from the event due to risks.

All participants must be aware of their physical shape and assume responsibility for participation in the race at their own risk. Cyclists must pay serious attention to the road conditions in all circumstances, even if the race route is not closed to traffic for the entire event.

Regarding the UCI and FCI regulation, in paragraphs 1.3.010 and 12.1.013 bis frode tecnologia, the race judges, along with the technical support crew, are authorized to make sample or systematic controls. Any non-conforming behavior or refusal to abide by the technical regulations required will result in immediate disqualification from the event with notification to the event directors.
